§ 302.31 Establishing paternity and securing support.

The State plan shall provide that:

(a) The IV-D agency will undertake:

(1) In the case of a child born out of wedlock with respect to whom an assignment as defined in § 301.1 of this chapter is effective, to establish the paternity of such child; and

Effective October 1, 1985, this includes securing support for a spouse or former spouse who is living with the child or children, but only if a support obligation has been established for that spouse and the child support obligation is being enforced under the title IV-D State plan.

(3) When assigned medical support payments are received and retained by a non-IV-A Medicaid recipient, the IV-D agency shall notify the Medicaid agency whenever it discovers that directly received medical support payments are being, or have been, retained.

(b) Upon receiving notice of a claim of good cause for failure to cooperate, the IV-D agency will suspend all activities to establish paternity or secure support until notified of a final determination by the appropriate agency.

(c) The IV-D agency will not undertake to establish paternity or secure support in any case for which it has received notice that there has been a finding of good cause unless there has been a determination that support enforcement may proceed without the participation of the caretaker or other relative. If there has been such a determination, the IV-D agency will undertake to establish paternity or secure support but may not involve the care-
